

CV

Kristy Heijen - van den Brink

ABOUT ME

My name is Kristy Heijen and I am 36 years old. Three and a half years ago, I started preparing to move to Sweden. On 2 August 2024, I moved from the Netherlands to Sweden with my husband and our two children. To improve my Swedish, I attended an open preschool for non-native speakers and joined a Swedish cooking group. I have completed SFI (course D) and feel confident in both spoken and written Swedish.

German

I hold a category B driver's licence.

➤ EDUCATION

- Full-Stack Developer, IT Supplementary Education, Lexicon (expected graduation 2026)
Focus on Java and modern web development: Spring Boot, REST API, SQL, React, Spring AI and Prompt Engineering.
- Equivalent to a Bachelor's degree in Social Work, SeQF level 6 2007–2014

➤ IT SKILLS

- JavaScript Essentials 1 and 2 (2025/2026)
- WordPress (2026)
- Working as an IT Support Technician (2025)
- Training + experience in system administration (Centric): process improvement, testing, case management (2020–2024)
- Microsoft 365 and Windows Server (support for colleagues)
- Training in Agile and Scrum (2024)
- Basic knowledge of SQL, HTML, CSS

➤ PREVIOUS WORK EXPERIENCE

Key User and Social Services / LSS Case Officer Municipality of Zwartewaterland (2017–2024)

I improved processes in our system (Centric) and actively contributed to the transition to M365. I created digital work instructions and provided system and IT support to employees. The role also included customer contact where good service was essential. I conducted home visits, assessed needs for assistive devices, and documented decision-making materials.

CV

Kristy Heijenck - van den Brink

PROFILE

I am currently studying to become a full-stack developer and have a background in social work. I am flexible, solution-oriented, and enjoy combining technology with working closely with people. With experience in process improvement, system support, and user assistance, I quickly adapt to new systems. I enjoy collaborating with different types of people and contribute with both structure and positive energy in a team.

ADDITIONAL WORK EXPERIENCE

Social Services / LSS Case Officer

➤ Langhenkel Group (various municipalities) 2015–2017

As a case officer, I helped individuals find solutions to both physical and psychological challenges. Communication was always a central part of the work – listening, asking the right questions, and forming a clear understanding of each situation. I appreciated the challenge of finding the best possible solution for every individual. The work often involved meeting people in their daily environment, understanding their perspective, and compiling this into clear and structured reports.

Activity Leader

➤ Trimenzo (2008–2014)

Together with the activity coordinator, I provided clients with suitable daily activities, offering clarity and structure. I took into account the clients' different backgrounds, levels, and challenges. The target group consisted of elderly people with mild forms of dementia.

➤ VOLUNTEER WORK

Visitor Zonnebloem Volunteer Organisation (2021–2024)

Visiting and supporting individuals with physical disabilities.
